

Financial Statements of

**Sask Lotteries Trust Fund For Sport,  
Culture and Recreation**

Year ended March 31, 2024

## INDEPENDENT AUDITORS' REPORT

**To: Members of the Legislative Assembly, Province of Saskatchewan**

### *Opinion*

We have audited the financial statements of **Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation** (the "Trust Fund"), which comprise the statement of financial position at March 31, 2024 and the statements of operations, remeasurement gains and cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust Fund as at March 31, 2024, and its financial performance and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Trust Fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in Saskatchewan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Information Other than the Financial Statements and Auditors' Report Thereon*

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Fund or to cease operations, or has no realistic alternative but to do so.

...continued

## INDEPENDENT AUDITORS' REPORT continued

Those charged with governance are responsible for overseeing the Trust Fund's financial reporting process.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Trust Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements

6

March 31, 2024

### 1. Nature of operations:

The Sask Lotteries Trust Fund for Sport, Culture and Recreation (the Trust) was established in 1974 and is continued pursuant to the *Lotteries and Gaming Saskatchewan Corporation Act* and a Distribution Agreement between the Minister of Parks, Culture and Sport for the Province of Saskatchewan and Sask Sport Inc. Under the terms of an agreement with Lotteries and Gaming Saskatchewan Corporation (years prior to April 1, 2023 – Ministry of Parks, Culture and Sport), Sask Sport Inc. has been designated as the provincial marketing organization to sell Western Canada Lottery Corporation lottery tickets in Saskatchewan. Sask Sport Inc. has established the Western Canada Lottery - Saskatchewan Division Inc. to market, and Sask Sport Distributors Inc. to distribute these tickets on its behalf. The current agreements expire March 31, 2029.

The agreements require that, pursuant to the *Lotteries and Gaming Saskatchewan Regulations*, the net lottery profits (detailed in Schedule 2) are transferred to the Trust and further that, after the payments described in note 5, and the expenses of operating the Trust have been paid, all remaining funds be allocated to sport, culture and recreation. The profits (allocated 50% to sport, 35% to culture and 15% to recreation) are restricted for granting to eligible organizations designated by the Minister of Parks, Culture and Sport for the Province of Saskatchewan. The Trust contributes, from each of these three sections, funds to the Sask Lotteries Community Grant Program in the same percentage as above; and to the Sask Lotteries Community Development Fund as follows: 40% by sport, 30% by culture and 30% by recreation.

The lottery agreement also requires Sask Sport Inc., as the designated provincial marketing organization for lottery tickets, to pay out of the Trust directed payments as described in note 5.

### 2. Significant accounting policies:

The Trust follows generally accepted accounting principles as recommended by the Public Sector Accounting Board of the CPA Canada.

#### *Basis of accounting and use of estimates:*

The preparation of financial statements in accordance with Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates. Differences are reflected in current revenues and expenses when identified.

#### *Investments:*

All equity and pooled fund investments are recorded at fair market value with unrealized gains and losses reported on the Statement of Remeasurement Gains. When such gains and losses become realized they will be reported in the Statement of Operations. Fixed income investments are recorded at amortized cost.

### 2. Significant accounting policies (continued):

#### *Grant expense and contractual expenses:*

Grants to eligible organizations are recorded when approved by the Trust Committee or the Sask Sport Inc. Board of Directors and all eligibility criteria are met. Grant returns are recognized in the period in which they are received. Contractual expenses are recognized by the Trust as required by the lottery agreement.

#### *Revenue recognition:*

Lottery profits are recognized by the Trust in the period they are earned by the Western Canada Lottery – Saskatchewan Division Inc. Investment income is recognized in the period earned. Premiums and discounts on bond investments are amortized to income using the effective interest method.

#### *Accounting policy changes:*

Effective April 1, 2023, new standard PS 3400 Revenue was applied with no impact on reported results.

### 7. Financial instruments and risks:

#### *Fair value:*

The recorded value of receivables and payables are measured at amortized cost, which approximates their fair value. All equity and pooled fund investments recorded at fair value are measured using inputs from one of three levels. Level 1 inputs are quoted prices readily available from an active market. Level 2 inputs are quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 inputs are fair values not obtained from market data. The Trust fund measures pooled funds based on level 2 inputs. The Trust fund measures bank shares based on level 1 inputs.

### 7. Financial instruments and risks (continued):

#### *Credit risk:*

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Trust is exposed to this risk relating to its cash, debt holdings in its investment portfolio and accounts receivable.

The Trust holds its cash account with a federally regulated Schedule 1 Canadian chartered bank that is insured by the Canadian Deposit Insurance Corporation. In the event of default, the corporation's cash account is insured up to \$100,000 (2023 - \$100,000).

The Trust's investment policy limits its fixed income investments to instruments that are government guaranteed or issued by federally regulated Schedule 1 Canadian chartered banks.

The Trust's only significant receivable is with the Western Canada Lottery – Sask Division which is considered low risk.

#### *Interest risk:*

The Trust may be subject to significant interest rate risk relative to certain investments described in Note 3. To mitigate the effects of interest rate changes the Trust applies investing policies that address portfolio mix, maturities, and liquidity.

#### *Liquidity risk:*

The Trust is not subject to significant liquidity risk as its primary receivable is with Western Canada Lottery – Saskatchewan Division Inc. which is well capitalized and has a history of transferring funds in a timely manner. The Trust invests funds based on the timing of its grant obligations and continuously monitors this to ensure these obligations can be met. Its short term investments are highly liquid.

#### *Price risk:*

The Trust is subject to price risk through its investment in publicly traded securities and pooled funds. These instruments comprise 19% (2023 – 17%) of the investment portfolio. To mitigate the effects of price risk, the Trust limits its investment portfolio in instruments subject to price changes in the open market but does not use any derivative financial instruments.

### 8. Budget:

The budget is the original budget that was approved by the Board of Sask Sport Inc. on February 2, 2023.

### 9. Statement of Changes in Net Assets:
